## INTRODUCTION

Inspired by the elegance of a bygone era, the 1968 Sixtyeight collection is a tribute to timeless design and refined simplicity. Subtle yet full of character, it reveals itself through delicate dial details, layered depth, balanced proportions, and a versatile aesthetic that suits any occasion.

At its heart, this collection is an invitation to embrace classic sophistication in its purest form. An essential watch that belongs in any collection.

For us, Vintage is not just a reference of style - it is also the journey to actually becoming vintage.

The journey ( Life ) will take you through eventful moments and memorable days to occasions that change your whole perspective.

We hope that one day your About Vintage watch will help you bring back memories of the special times in your life.
